# Farigaig Forest Classroom

- The Forestry Commission Scotland have expressed an interest in giving up the ownership/ maintenance of the Farigaig Forestry Commission forest classroom site
- They have proposed that the South Loch Ness community might want to take the site over
- They are leaving it up to the community to decide if, or how much, of the site they wish to take on
- Some possible options for what could be obtained are shown on the next slides

What we need now:

- To establish a **steering group** that will:
  - **Consult** with the community to decide on the most popular plan
  - **Liaise** with Forestry Commission Scotland
  - **Source** funding for the project if necessary

# Farigaig Forestry

- A sign up sheet is available if you wish to join the steering group
- Or if you just want to receive updates about the project
